Schedule

These will be CONCURRENT tests using a BLOCK SCHEDULE

NO RUN ORDER will be mailed out – a time block will be assigned and a run order will be created within the time block. All entries with a valid, legible email address will be sent an entry confirmation with time block. Dogs not checked in within 15 minutes of the start of their block time may be moved to a later time block.

Grounds will be available one hour prior to test hours. Test hours are 9:00AM until 4:00PM or until all runs are completed. It is also the responsibility of each entrant to be ready with catcher and releaser when their dog is called to the line. We have a limited number of volunteers; please consider asking fellow entrants to catch/release if you are coming alone.

Roll Call

Roll call is the time when participants are expected to check in. Check-in is followed by inspection for fitness, lameness, or “in season” females. Every dog must be inspected prior to EACH run. Handler will wipe female dogs. Roll call will open 15 minutes before your block is scheduled to run. If you do not check in within one hour of the event closing, we will assume you are absent. There are no refunds for absent dogs. Dogs excused at check-in will have entry fees refunded. Bitches known to be in season are not to be brought to events and entry fees will be refunded.

Eligibility

Fast CAT events are open to all dogs at least 12 months of age that are individually registered with the AKC, recorded in the Foundation Stock Service (FSS) program, individually registered with a foreign or domestic registry organization whose pedigrees are acceptable for AKC registration, dogs granted a Purebred Alternative Listing (PAL) number, dogs with AKC Limited or Conditional Registration, or dogs enrolled in the AKC Canine Partners program.

AKC ranking

The *Fast Cat Top 20 Fastest Dogs* are listed by breed on the AKC website.

Dogs will appear on this list when they have completed 3 Fast CAT runs.

Conditions of entry

Coursing is an athletic activity that can tax a dog's physical strength.

Dogs that are overweight and/or out of condition may be at a greater risk for injury and exhaustion. The inspection committee has the authority to disallow a dog's entry into a test, and in such instances, applicable entry fees will be refunded. A minimum wait time of 10 minutes is recommended between runs.

What is the Fast CAT?

- Fast CAT is a timed straight 100-yard dash for dogs.
- Dogs are held at the start line and the coursing lure is activated prompting the dog to follow chasing it to the finish line and into a catch pen. The course is completely fenced, and dogs are run individually.
- Dogs are timed when they complete the 100-yard dash. The time is converted to Miles Per Hour (MPH). Based on the dog's size at the withers a handicap is applied and points are earned:
- Handicap:
 - 18" or greater = Handicap is 1.0
 - 12" up to less than 18" = Handicap is 1.5.
 - Under 12" = Handicap is 2.0.
- Titles are earned at specific point levels
 - BCAT = 150 points
 - DCAT = 500 points
 - FCAT = 1,000 points
 - FCAT# = Each additional 500 points

FORMULA

$$204.545/\text{TIME} = \text{MPH}$$
$$\text{MPH} \times \text{HANDICAP} = \text{POINTS}$$

ACCORDING TO AKC RULES: Handlers are not permitted to run with a dog during an official run but must remain either at the start or finish area of the course. Dogs are not to be enticed through the course with anything other than the lure during its official run. NO mechanical devices including whistles, horns, bull horns, etc. or toys including the waving of objects can be used to lure the dog to the finish line. A toy may be used to help catch the dog but must not be visible to the dog during the run. There must be a catcher in the catch pen. Dogs cannot be recalled to the start line after the run.

For information regarding *Regulations for Lure Coursing Tests and Trials*, visit www.akc.org/pdf/rulebooks/RELURE.pdf to familiarize yourself with the rules.

ALL DOGS RUN AT OWNER'S SOLE RISK

The event-hosting club, Motor Cities Fox Terrier Club, its agents, members, representatives, volunteers, etc., assume no liability or responsibility for any loss, damage or injury sustained by exhibitors, handlers, or to any of their dogs or property and further assumes no responsibility for injury to children or spectators before, during, or after this event.

All AKC rules regarding sportsmanship and conduct apply.

Trial Information

- Entries will not be accepted without fees, signatures, or the "Agreement" found on the Official AKC Entry Form.
- \$5.00 fee may be assessed for any loose dog on the field that is not competing in the course in progress.
- Exhibitors should follow their veterinarian's recommendation to assure their dogs are free of parasites, any communicable diseases and have appropriate vaccinations.
- The Huntmaster is responsible for field safety and therefore the Huntmaster is in complete charge of all dogs and handlers on the field. In service to this responsibility, the Huntmaster has the authority to stop the lure in any potentially dangerous situation and signal the handler to retrieve a testing dog.
- MCFTC reserves the right to remove any dog in distress in a parked vehicle or crate.
- No entry fees will be refunded if the event cannot be started or completed by reason of riots, civil disturbances, fire, extreme and/or dangerous weather conditions, an act of God, public emergency, act of a public enemy, strikes or any other cause beyond the control of the MCFTC or its members and representatives.
- This is a rain-or-shine outdoor event and there is very limited shade at the test site. Please plan accordingly. Please bring your own shade, chairs and water. Shade tents, crates, etc. may be left over night at owner's risk.

- The show grounds are not completely fenced. The FAST CAT course will be marked off with snow fencing.
